

INNOVATIVE PRESENTATION SYSTEMS AND SWITCHERS

KNOWLEDGE BASE

WHAT IS IT?

Since 1981, Kramer Electronics has been a leading player and pioneer in the Pro AV industry. With customers in over 90 countries across six continents, Kramer offers an extensive and innovative pro AV portfolio of products and solutions. For over four decades, Kramer has built its reputation on strong personal relationships with its customers and providing the highest level of service and support in the industry.

At our core, we are a technology company dedicated to finding better, smarter solutions, not bigger boxes. At Kramer, we go beyond the box with end-to-end solutions that blend cutting-edge cloud technologies, advanced software, and time-tested hardware. The result is that our customers get the solutions they need without paying extra for features they don't need.
